Dedication

MR. MITCHELL LAUNIUS
Dedicatee
1964

We, the 1964 *Reflector* staff, wish to dedicate our yearbook to a man who has rendered his services in various capacities at Mehlville High School.

During the past ten years, he has not only taught such subjects as civics and driver's education, but has also contributed greatly to Mehlville's athletic program through his coaching ability. Secondary to his duties as head of the athletic department, he serves as track and cross-country coach. He has previously coached basketball, and in 1959 the Mehlville Panthers won the South County Championship under his leadership.

Majoring in the fields of biology and physical education, he received his B.S. and M.A. from the University of Missouri.

The capability of giving students lasting friendship, coupled with an effervescent personality makes him a teacher to be remembered.

In appreciation of all the aid and guidance he has given to the students of Mehlville, we proudly dedicate the 1964 *Reflector* to Mr. Mitchell Launius.

For the last thirty-eight years the Mehlville R-9 School District has expanded in the number of students, teachers, and classrooms. From 1925, when four freshmen enrolled in the high school, which was located in the St. John school building, the number of students and faculty has risen continually each year. Schools have also been built through the years to keep up with the needs of the ever growing district.

In 1931, the high school enrollment of Mehlville consisted of four students. Two of these made up the first graduating class of Mehlville High School. Until 1939, students of high school level had attended classes in St. John's School; but in the fall of 1939, the high school classes were moved to the present-day Mehlville Junior High. At this time, the junior high school consisted of six rooms and a gymnasium. In 1940, the high school enrollment increased to 216 students and it has risen continually through the years. Last year 1341 students attended the high school and this year there are 1561 students enrolled here. To meet the needs of these students, 81 faculty members teach 78 different courses.

In 1955 the upper classes, seniors, juniors, and sophomores, moved to the present-day senior high school which then consisted of 14 classrooms and offices. It was not until 1958 when the first addition of 17 classrooms, a double gymnasium, and a cafeteria was added that the freshmen moved from the junior high school. In 1960 another addition added 20 more classrooms. The addition now being built will include three home economics rooms, 13 classrooms, a double gymnasium, and a large library. With the completion of this addition, the number of classrooms in the high school will total 71.

The Mehlville area continues to grow and the R-9 School District plans to grow with it in the future.

Coach Lane Goodwin's Panthers ended the 1963 football season with a 5-4 won-lost record tying for third place in the Middle Six division with St. Charles and Affton. The Panthers got off to a bad start as they lost their first game to Ladue on September 14 by a score of 25-6. The game with Berkeley, on September 21, was won by Mehlville and proved to everyone at MHS that the Panthers had what it takes to win. Then the Panthers went on to beat Principia 28-12, Hazlewood 33-18, and Brentwood 20-12. Losing a 20-21 heart-breaker to Affton and falling short 18-7 against Lindbergh, the Panthers went on to win the Homecoming Game, on November 2, against St. Charles by a score of 7-0. The season ended for the MHS Panthers as they dropped the game against Maplewood 26-7 on November 9.

Two varsity players, Gary Leinberger, and Terry Reed, made All-Conference; and Mike Parsons, George Padberg, Jon Thomas, and Dave Loos made Honorable Mention.

Although not winning many games, Mehlville's sophomore and freshman teams gained valuable experience.

Although Mehlville's 1963-64 basketball team wasn't completely victorious, this year's season wasn't at all a loss. Under the skillful instruction of Coach Carpenter, who coached for the first time at Mehlville this year, the Panthers fought hard to end another winning season with a record of 17 wins and 11 losses.

The 1963-64 season got under way with the Bayless Tournament. Although the Panthers didn't take their second first place, they overcame stiff competition to walk away with the consolation trophy. Participation, team effort, good coaching, and a show of school spirit paid off for the Panthers as they took a second place trophy in the South County Tournament, and a third place trophy in the Regionals.

Mehlville ended the season with 14 members of the team, 7 of whom graduated this June. However, the players who will take their places are experienced, and the team for 1964-65 shows promise of repeating this year's winning record.

Our future resources for our Varsity basketball team comes from our Junior Varsity and Freshman teams.

With an 8-10 record, our Junior Varsity team has given us some encouragement that we may continue to have winning teams at Mehlville. Win or lose, the boys did their level best.

Preparing the Junior Varsity team for their games was Coach Don Crandall. Placing more emphasis on how the game is played instead of on winning was the major aim of Coach Crandall.

Less publicized, but fighting just as hard, was our Freshman basketball team. Under Coach Ron Paul, the Freshmen had an 8-5 record which is most promising for future years.

The first week of March marked the beginning of practice for the Mehlville track team. Approximately sixty boys turned out for the first meeting held by Coach Launius. Neither cold weather nor rain hindered the boys as they practiced such skills as pole-vaulting, high jumping, broad jumping, long distance running, sprints, hurdling, discus throwing, and shot putting. Under the watchful eye of Coach Launius, the boys improved for their spring track meets.

A Mehlville "first" this year was the addition of a Cross-Country team. Approximately twenty-five boys turned out for this new sport, and were rewarded with a good season, culminating in their hard-won trophy.

Mike Fitts demonstrates good running form.

Coach Launius instructs Karl Bovyn on the shotput.

Matmen Take State

Mr. Bay congratulates Coach McCarty on his team winning state.

Coach McCarty and Coach Edwards pose with the four finalists.

For the first time in Mehlville history, the wrestling Panthers walked away from the state finals carrying the first place trophy. With a starting line-up of only six matmen, Mehlville surprisingly defeated such favored schools as Riverview, Ritenour, and Northwest of Kansas City.

Karl Bovyn and Ray Budo started out in the semifinals, but were soon defeated. From there, only four wrestlers remained to pile up points for Mehlville. John Smith and Terry Carney were defeated in the final round, both coming in second place in their weight class. John Wilhelm took state in the 103 weight class, and later, Jon Thomas won a critical match to take state in the 180 weight class.

This was the first time Mehlville has taken a state championship in any sport.

Individual effort along with good coaching by Michael McCarty and Tom Edwards again paid off for Mehlville's varsity wrestling team which, with a record of 15 wins, 2 losses, and 1 tie, ended another victorious season.

School spirit was boosted and the team was given moral support by the numbers of enthusiastic fans who went to the meets to urge the team on to victory. Attendance to these meets increased as the wrestlers continued to rack up points and win match after match.

Beginning with the Mehlville Tournament, the team proved that they had what it takes to win by taking a first place trophy. Not stopping here, however, varsity wrestlers kept on stacking up points and winning tournaments until at the end of the season they had walked away with four first place trophies. The freshman wrestling team also had the honor to take a first place trophy in the Mehlville Tournament.

Of the top twelve lettermen on the team, eleven will be returning next year, giving hope for another top caliber team.

Some fifty boys turned out this spring for the 1964 baseball season. Although some were inexperienced and fairly new at the game, they soon learned that a fast ball goes hand in hand with good sportsmanship. Approximately twenty of the fifty who turned out for the team were returning lettermen.

Coached by Mr. Crandall and Mr. Paul, the boys worked hard, practicing every night after school, beginning in early March and continuing into the summer. With practice, the team was in readiness for their spring and summer clashes, both at home and away.

Team members receive instructions from Coach Crandall before beginning spring practice.

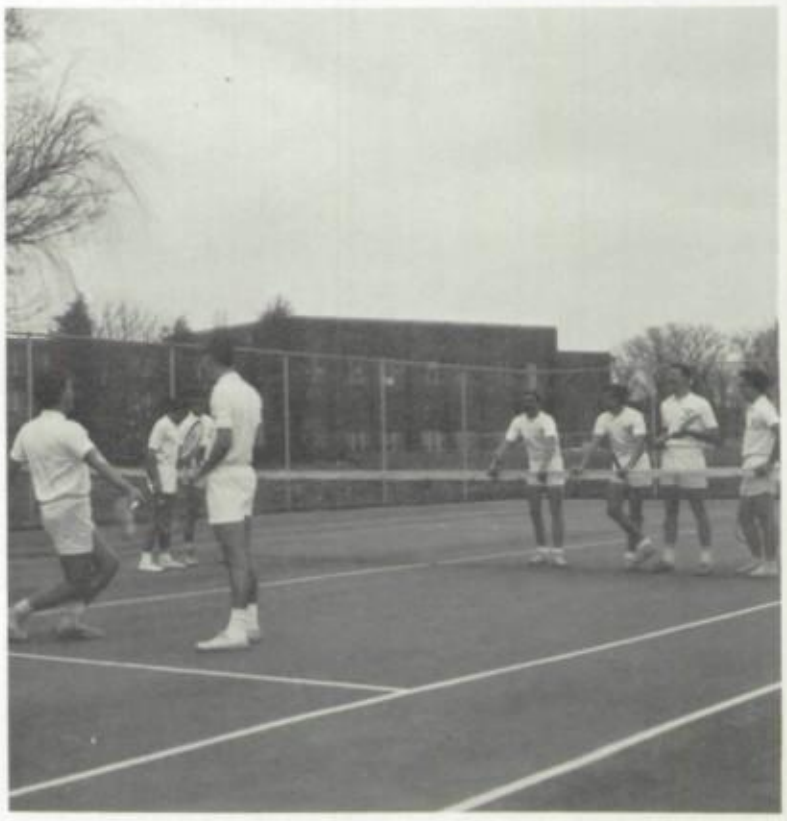
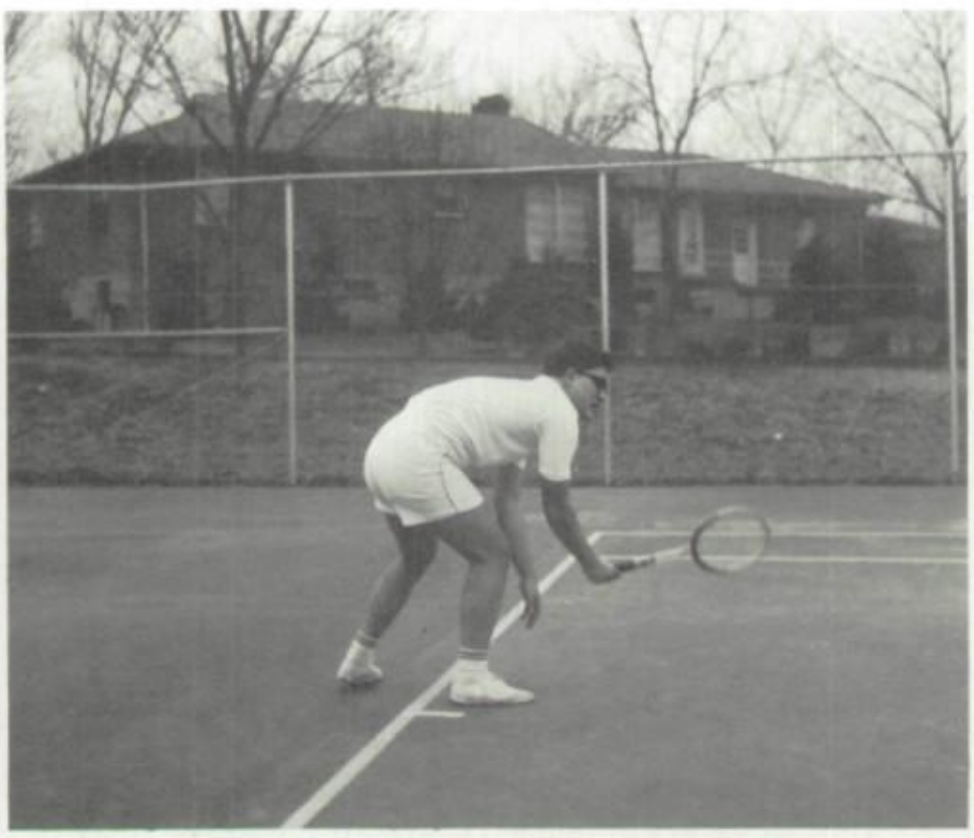
Tennis, the most recently introduced sport at Mehlville, has been enthusiastically accepted by the students. Even though it is only in its second year, approximately ninety boys tried out for the team.

Preparing the boys for competition among other schools was the job of Coach Tom Edwards, an English teacher at the junior high and assistant wrestling coach.



The team takes time out from practice.



After a serve, Rich Gerleman waits for the return.

Weight Training

Under the direction of Coach Lane Goodwin, Mehlville's weight training program continues to keep our athletes in the best possible physical condition. Exercises, weight lifting, and running are just a few of the various activities in their daily routine. Weight training is open to all boys interested in keeping physically fit.

Good sportsmanship and the promotion of school spirit were again the goals of the Varsity Club. Under the supervision of Coach Launius, the organization sold soda at the various football games. Part of the proceeds was used to buy the cheerleaders pom-poms. Then, toward the end of the year, the Outstanding Athlete Award was presented at the annual Father-Son Banquet. The Varsity Club underwent another successful year with Gary Leinberger as president.

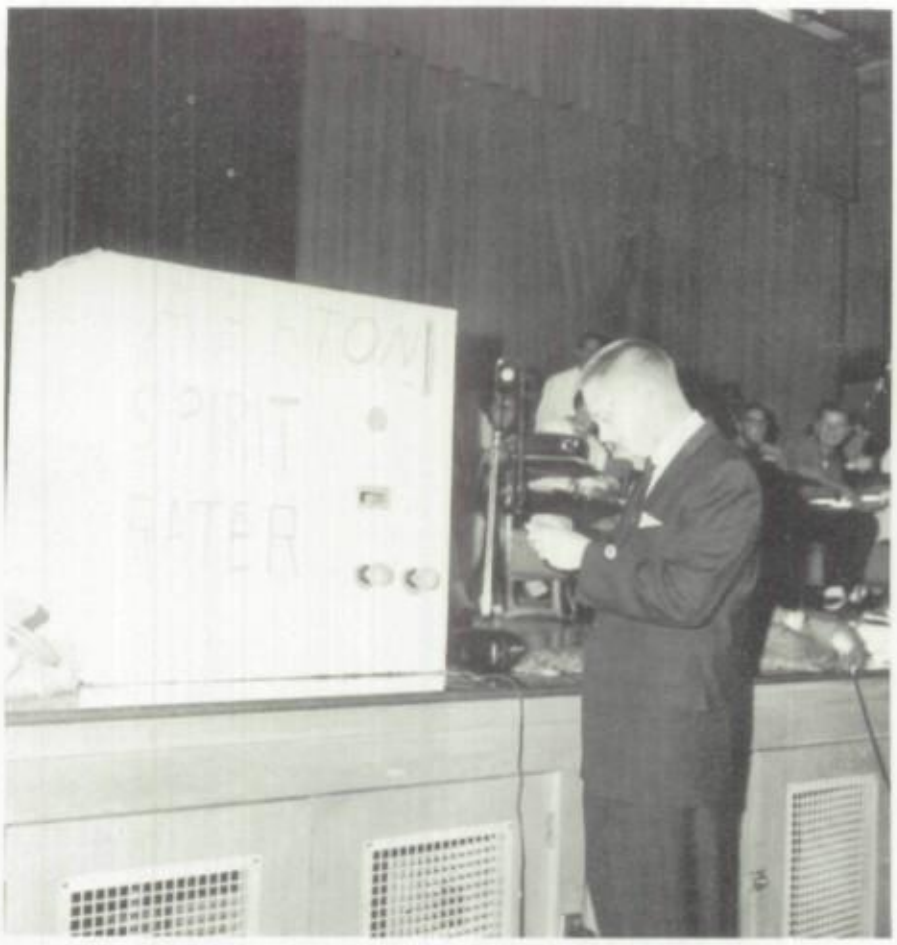
Pep Club



Spirit Rater's results read to students by Mr. Waddock.

Mehlville High's Pep Club is an organization for the betterment of school spirit. Sponsored by Miss Gilbert and Mr. Taylor, the year got to a strong start when the members sold candy apples and gave out green and white balloons to celebrate the Homecoming game against the St. Charles Pirates.

The Pep Club was present at all pep assemblies, seated together so that the entire student body would receive full benefit of their voices. Mehlville High School never lacked volume or spirit when the Pep Club was present.

Under the direction of Miss Sheppard and Miss Branson, the GAA again sponsored, among other activities, girls' sports and for the first time in three years, intramurals.

Because of the construction of the new girls' gym, intramurals didn't get under way until late in the year, when the GAA sponsored volleyball, basketball, and tennis.

The Girls' Athletic Association is an organization dedicated to the promotion of better sportsmanship and athletics among the girls of MHS. Membership and awards are based upon a point system. A girl must acquire 500 points through athletics or some GAA-sponsored activity to become eligible for membership.

VARSITY SQUAD—*KNEELING:* Jean Anderson. *STANDING:* Carol Reichert, Chris Litschwager, Tina Hoerr, Cheryl Braun, Alma DeBasio, Audrey Mueller, Susan Buckner.

School spirit has risen sharply this year, and the credit, quite justly has been given to our two cheerleading squads.

Under the able leadership of varsity captain Alma DeBasio, and junior varsity captain Pat Abel, the cheerleaders have accomplished a great deal this year. The varsity squad purchased new uniforms and, along with the junior varsity squad, began practice in the summer.

The varsity cheerleaders attended a clinic learning new cheers, motions, and skits, which have been enjoyed by the student body at various pep assemblies.

To help boost the morale of the team, the cheerleaders and "Patty the Panther" visited team members and decorated the team room in green and white. In order to show their appreciation for the cheerleaders' constant support, the Varsity Club members presented the cheerleaders with new green and white shakers.

At all times Mehlville's cheerleaders have backed our school and given students the incentive to do the same. A much-deserved "thank you" to the cheerleading squads of '63-'64.

Girls' Sports

HOCKEY TEAM – *ROW 1:* Miss Branson, Elaine Aubuchon, Judy Aubuchon, Capt. Connie Reker, Co-Capt. Judy Casalone, Barb Held, Janet Barber, Terry Rettig, Bev Helling. *ROW 2:* Jill Siems, Ann Weaver, Bev Webb, Janet Baugh, Virginia Green, Diann Gasparovic, Cathy Cliffe, Pam Rollins, Alice Fauss.

PHYSICAL EDUCATION INSTRUCTORS: Miss Sheppard, Mrs. Putney, Miss Branson.

Girls' sports were considerably hampered this year. Because of the late opening of the new girls' gym, it was impossible to have a girls' basketball team.

This year's bowling season began on February 21, under the supervision of Miss Branson. Bowling was open to all four classes, but because of the increased number of girls going out for the team, there had to be two designated days to bowl. Seniors and juniors bowled on Mondays, and sophomores and freshmen bowled on Tuesdays.

Handicapped by bad weather, the hockey team, coached by Miss Branson and Miss Fischer, played only three of the six scheduled games and had a record of 0-3. Although they had a losing season, the team members developed their playing skill and learned the importance of team work.

The volleyball team was chosen in March, and after their season of playing, the year of girls' sports was ended.

GIRLS WHO EARNED GAA LETTERS: Alice Fauss, Bev Helling, Connie Reker, Judy Casalone.

The traditional blue and white....snow flakes....music by the New Ports.... delicious buffet....the air of expectancy as all awaited the King and Queen, were all a part of the sixth annual Winter Wonderland Dance.

At the back of the gym was a large blue and white sign spelling *REFLECTOR*. All eyes focused beneath the *REFLECTOR* to await the coming of the 1964 royalty....Queen Cathy Long and King John Mahar.

Truly they reigned with elegant charm which crowned all the wonderful moments of the sixth Winter Wonderland Dance.

Homecoming

Cars decorated in gala green and white lined the streets on the morning of November 2 for the annual Homecoming Parade, sponsored by the Fathers' Club. The parade began and ended at the high school, covering about fifteen miles of area in the district.

The Homecoming game, this year against the St. Charles Pirates, was a huge success as the Panthers gained a 7-0 victory.

That evening, as a climax to the entire Homecoming Day, the Senior Class sponsored the Homecoming Dance. Chris Litschwager and Gary Leinberger reigned as the 1963 Homecoming Royalty.

Preacher Terry Reed wonders who could smile at a time like this.

Marriage was on their minds when over one hundred girls chased and hogtied their chosen males for the annual Sadie Hawkins Dance, held Saturday, November 16.

Marryin' Sam, portrayed by George Appel, Terry Reed, and John Mahar, did a lively business as couples marched up the steps to "holy matrimony in the state of Misery."

Topping off the evening was the sacred business of crowning the fastest girl and slowest boy, alias Daisy Mae and Li'l Abner, who turned out to be seniors Jean Anderson and Chuck Bovyn.

Many people turned out for auditions and after much difficulty in deciding, sixteen acts were chosen by members of the Student Council. The theme of the Variety Show was Mehlville's Corny-Ge-Haul. Everyone greatly enjoyed himself and all agreed that this year's show was the best one Mehlville ever had.

Different staffs: copy, layout, and business, combine their efforts along with the editors to make their *REFLECTOR* a better yearbook. Articles and cut lines are produced by the copy staff. Layouts, including pages and proofs, are designed and drawn by the layout staff. Copies of the *REFLECTOR* and the ads that finance it are sold by the business staff.

Now George, it can't be that bad.

Trying to maintain a working relationship between the teachers and the students, promoting school spirit, and sponsoring some extra-curricular activities are just a few of the major tasks of the Mehlville Senior High Student Council.

Their calendar of events for the school year was started off with the "Indian Summer Dance." A little later in the year was the first bonfire the night before the homecoming game and the Variety Show.

During lunch every day, the Student Council Store was open to all students for the sale of book-covers, pencils, and pens. They also sold pretzels after school. This year the first Mehlville High School "buzz book" was published by the Student Council.

The work of the Student Council played an important part in the all around betterment of Mehlville High School.

Miss Gilbert,

Best of luck to you in your marriage; I know it will be beautiful and I hope to come. Having you for a teacher for the past year has been wonderful! You're a fine teacher (although I'm not too good an example of your teaching skills!) Its certainly has been a lot of fun. Good luck and God Bless you.

Sharon Lashley

Under the direction of Mrs. Virginia Worthington, the Dramatics Club gave the production of "Claudia." Claudia, portrayed by Rosemary Parker, was a young naive girl who didn't take life seriously. After the discovery of her mother's illness, Claudia "grew up" and faced reality.

The cast of eight worked diligently to hold the production of "Claudia" on November 22, but, because of the tragic death of the late President Kennedy, it was postponed until the following Wednesday, November 27. "Claudia" was given in an afternoon performance for the juniors and seniors of Mehlville High School and another performance was held that night.

Speech

Mehlville students were again active in speech and debate, under the capable direction of Mrs. Worthington.

Steve Fuchs, Bunny Earley, Stephanie Zeller, and Gilbert Engel presented the "pros" and "cons" of the civil rights disputes in the KXOK Junior Town Meeting of the Air.

Extemporaneous speaking and debating contests were only part of the various competition students entered.

David Mintner, a Mehlville senior, was the second Mehlville student in a row to win the American Legion Oratorical contest.

"Deadline this Friday! Oh-my-gosh, we don't have enough copy! Quick, Bob, think of something to write about!" Such were the words one heard during the after-school hours of 3:00-4:30. They usually could be heard coming from room 213, but it wasn't impossible to see Editor Bob Rundquist or Managing Editor Karen Koval "chasing a lead" down the hall.

Edited for the second year by Bob Rundquist, this years STUDENT PRINTS came out 10 times and was read by approximately six-hundred students.

Sponsoring the school paper again this year was Mr. Glen Kleine.

The largest group is the Mixed Chorus, which increased its membership of last year to approximately 130. Boys and girls alike are members of this chorus, but boys may join by audition only.

The Girls' Ensemble consists of 17 members. Each member was selected after a special audition.

One of the main productions of the chorale group this year was the Christmas Concert, which was presented in the afternoon for the student body and in the evening for the general public.

Singing for the Mother's Club Christmas party, singing for the CTA Convention, and presenting a Spring Concert were part of this year's activities carried out by the Girl's Ensemble alone.

They also appeared at four grade schools, where they demonstrated the various instruments. A fairly recent addition, the dance band, also appeared at various school activities.

The annual spring concert was replaced this year by the All-District concert, at which all district bands entertained. Featured soloists at this concert were Barbara Schumacher on trumpet and Mike Foerstel on piano.

Librarians, Projector Club

Under the watchful eye of Miss Larson, the librarians continued to do their best to run the library effectively. Checking books in and out, helping students locate information, and aiding Miss Larson were but a few of the many tasks the student librarians had.

With Mr. Bilane as their sponsor, the members of the Projector Club planned many activities throughout the year dealing with the operation of movie projectors. With better understanding of audio-visual equipment as their goal, the members of the club strived for new and different things to learn.

Meeting the third Monday of every other month, the members of the P.T.A. discussed school policies and better methods of improving student behavior.

Two annual events sponsored by the P.T.A. are the school picnic and the smorgasbord.

Class Of 1964

This year marks the final resting place of our voyage through high school. For some, it is the end of the journey, for others, the trip is just beginning. But you, Mehlville, have earned your rightful place in our lives. You have taught us much, we have grown up in your halls. Now, as we leave, we have fond memories to store in our minds. You won't forget us, Mehlville, we have left our mark in your halls.

In September, 1960, we entered the halls of Mehlville as small, frightened freshmen. Our first year was spent in trying to find our classrooms and getting to know our classmates. As freshmen we began acquiring the school spirit we've displayed for four years and looked with awe and admiration upon the seniors. That year our freshman boys were victorious in football, as they ended their season with a 3-1 record.

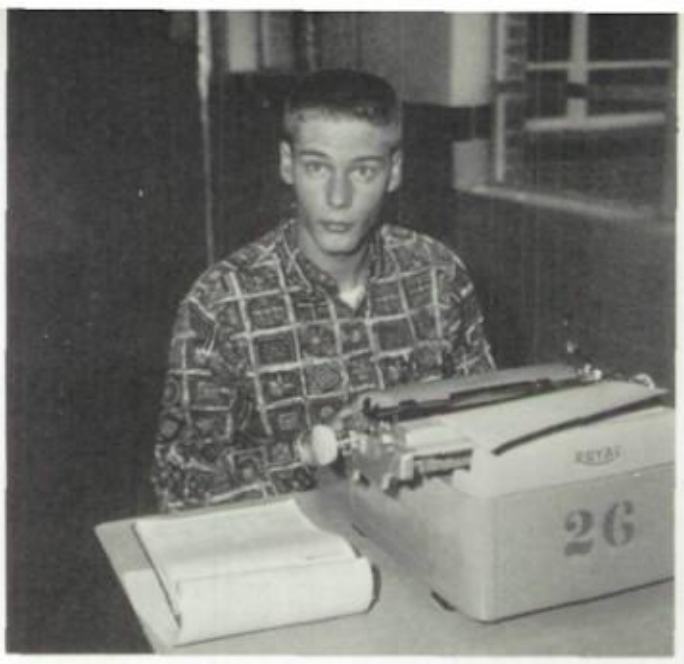
1961-62 was another successful year as we completed our second year at Mehlville. As sophomores we, along with the junior class, sponsored the "Spring Fling." Though still underclassmen, we started getting into the "swing" of things at Mehlville with the addition of two sophomore boys to the Varsity Club. Our school spirit increased, and the sophomores made up a big part of the students present at school functions.

Our junior year dawned bright as we finally attained the high level of upperclassmen! As juniors we were recognized as a vital part of Mehlville. With over half of the cheerleading squad junior girls and twenty-seven juniors inducted into the National Honor Society, our junior year became one to remember, as we climaxed it by giving the seniors a prom to remember, as we established the practice of hosting the Junior-Senior Prom at Mehlville.

Finally we have achieved the highest level in our high school career. We are at last seniors. Our leaders helped Mehlville attain greater heights merely by their suggestions and assistance. Senior candidates were honored by being chosen royalty of the Homecoming and Sadie Hawkins Dances. Two of our senior boys gained respect by being chosen to the All-Conference football team. As seniors we presented the Junior Town Meeting and played a major part in school activities. Our school spirit was at a peak as seniors swarmed through the bleachers at football, basketball, and wrestling clashes with rival schools.

Now we're leaving you, old Mehlville. Don't be sad, think of it this way—you're not losing 310 loyal sons and daughters, you're gaining 310 loyal alumni. Through the years many, many classes will pass through your portals, Mehlville, but you'll remember us, the seniors, class of 1964.

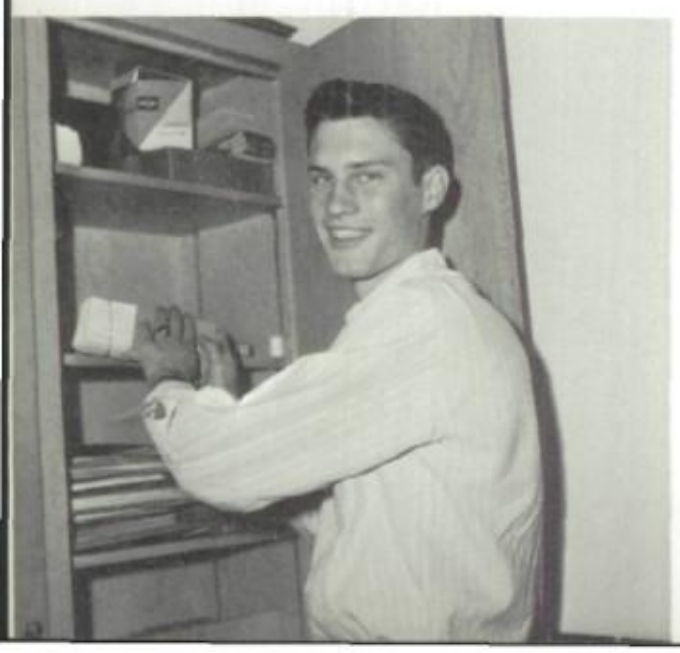
JEAN ANDERSON
Jean's enthusiasm, on the cheerleading squad or just with friends, made her an active part of Mehlville High. Her laughter rang out and made others happy.



CHUCK BOVYN
A happy smile, coupled with a warm sense of humor characterized Chuck's friendly personality. His unceasing readiness to work was his ticket to success.

ALMA DEBASIO
Alma's leadership, whether in the classroom or as president of the Student Council, compelled students to follow her example. She was their leader and they respected her.

BOB HAMMERSMITH
Selling ads for the *REFLECTOR* or just having fun, Bob's willingness to work made high school the most rewarding four years of his life.



PAT HESKES
Pat gave generously of her time and talents to make her job of editing the 1964 *REFLECTOR* richly rewarding. Her sense of humor gave her respect and admiration.

Superlatives

JOANN KOHRS
Editing the 1964 *REFLECTOR* was her triumph; her ability to work hard while having fun contributed to the remarkable person Joann is.

GARY LEINBERGER
Although quiet in manner, Gary showed himself to be a true sportsman, whether in football, basketball, or baseball. His ability showed through when he was elected to be All-Conference.

Dear Reader,

As another year is at an end, another edition of the Reflector is coming to a close. Our purpose in editing this 1964 Reflector is to picture school life at Mehlville as it really is. We sincerely hope that as you thumb through the pages of the 1964 Reflector, all the momentous occassions and wonderful events of this past year will be recreated in your mind.

We are very grateful for the advice and aid which the following people have contributed to the 1964 Reflector: Mr. Harry Swain, Myers Yearbook Company; Mr. John Glassen, Becktold Binders; and Mr. Albert Bohm, Rembrandt Studios. We would like to express our appreciation to Mr. Raymond Karcher, faculty advisor, for his assistance and to the staff members who gave so generously of their time and talent.

Sincerely yours,
Pat Heskes
